Research Interests

I am interested in designing algorithms in the field of machine learning and pattern recognition to solve real life problems. Current topics of my research include **incremental learning** and **multi-view learning**.

Education

Indian Institute of Technology Guwahati, Guwahati, India

Ph.D., Computer Science and Engineering, Jan 2017 - Present

- Area of Research: *Multi-view incremental learning methods*
- Supervisor: Dr. Vijaya Saradhi Vedula

M.Tech., Computer Science and Engineering, **7.22** CPI, July 2014 - June 2016

- Thesis Title: *Learning The Base Set of Kernels In Multiple Kernel Learning*
- Supervisor: Dr. Vijaya Saradhi Vedula

Saraswati College of Engineering, Navi Mumbai, Maharashtra, India

B.E., Computer Science and Engineering, **65.33** %, July 2009 - June 2013

- Thesis Title: *Image Encryption Using Logistic Map and Cheat Image*
- Supervisor: Mrs. Arti Gore-Sabale
